

**IN THE HIGH COURT OF SIERRA LEONE****(COMMERCIAL AND ADMIRALTY DIVISION)****FAST TRACK COMMERCIAL COURT****BETWEEN:****TONKOLILI IRON ORE (SL) LIMITED****-****PLAINTIFF****AND****OFFICIAL RECEIVER AND PROVISIONER LIQUIDATOR- APPLICANT****RULING DELIVERED BY HONORABLE JUSTICE LORNARD TAYLOR ON  
THE 15<sup>TH</sup> OCTOBER 2021**

Counsel approached this court on behalf of the Official Receiver and Provisional Liquidator by Notice of Motion dated 22<sup>nd</sup> June 2021 and prayed for inter alia the following orders:

1. That this honourable court appoints the Official Receiver and Provisional Liquidator herein as Substantive Liquidator for the purposes of winding up of the Petitioner Company herein, pursuant to Section 336©, Companies Act 2009.
2. That this honourable court also approves of the fees to which the Applicant is entitled both as official Receiver and Provisional Liquidator, and as Liquidator when appointed.

The application as stated by counsel for the applicant was made pursuant to Section 364 and 366 © of the Companies Act 2009.

In opposition to the application, BerthanMacauley filed an affidavit in opposition "For and on behalf of the creditors herein" which I take to mean Magma and AMC. In addressing the court on his opposition to the

application, counsel made quite clear that his opposition to the application was only in part.

Firstly, counsel is not opposed to the Appointment of Mr. George Taylor as the Substantive Liquidator. However, he pointed out that the evidence before the court is that Mr. George Taylor is also a creditor and as such he expects no bias from him during the liquidation process. All creditors have to be treated the same and by the law.

Secondly, he drew the court's attention to Rules 157 and 158 of the Companies (Winding up) Rules 1929 with respect to the remuneration of the Liquidator. His concern is that in fixing the remuneration of the Liquidator, the percentage of the amount realised is taken into consideration as opposed to the percentage of the amount claimed by the creditors.

He further highlighted that there is no resolution with respect to the appointment of a committee of inspections and if there was one, it ought to have been filed in compliance with Rule 133 of the Companies (Winding up) Rules 1929.

I take the points raised by counsel and I have no doubt in my mind that this it falls within the authority of this court to appoint a liquidator for the winding up of the petitioner and I will so do accordingly. Counsel's concerns are also noted and this court agrees with them. This court will in the circumstances address all these issues in its orders accordingly.

Having considered the Application, the evidence and arguments of counsel, I hereby order as follows:

1. Mr. George Carl Taylor is appointed Liquidator for the process of winding up the Petitioner.
2. The Liquidator, as applicable, is vested by operation of law with title to all of such Petitioner's property and such property shall include property of any kind or nature, whether real, personal, or mixed, including but not limited to money, funds, cash, stock, bonds, account deposits, statutory deposits, special deposits, contents of safe deposit boxes, funds held in share accounts or trust accounts,
